**SAFETY RULES OF PAINTBALL:** At Shoot House LLC Extreme Sports Paintball Park safety comes first. Safe Play = Fun Play

Keep your mask on. Before you go onto any field your mask must be on. Do not remove your mask at any time while you are on the playing field. You cannot remove your mask until you are again standing in the safety area. We will give you a warning for this and you may also be required to sit out your next game.

Keep your barrel sleeve on. The only time that your barrel sleeve should be off is when you are playing a game. At all other times your barrel sleeve must be on. We will give you a warning for this and you may also be required to sit out your next game. We are a barrel sleeve only facility. If you do not have one you'll need to purchase one. We have them available in our stores and at our park.

Use Common Sense. Watch out for trees, rocks, thorny bushes, poison ivy, snakes, and whatever else lives in the woods. Please do not climb the trees or attempt to jump off any structure (use the stairs provided).

**No real weapons are allowed. No knives or anything of the nature**

No fighting or horseplay with other players. If two people are messing around out on the field there is a potential for a mask to get knocked off and for someone to get hurt.

**No alcohol or other substances are allowed before or during play that will impair your judgment at our Paintball facilities.**

280 fps Chrono Speed: You must chronograph your gun at 280 fps (feet per second) or lower! Rental guns will be chronographed before distribution by our staff.

Semi Auto 10bps Rate of Fire: If your gun is electronic it must be in semi-automatic mode only. This means it must fire one time for every trigger pull and the ROF (rate of fire) will be capped at 10 bps (balls per second). No full auto, burst modes, or turbo modes, will be allowed on the recreation fields. Electronic rental guns are correctly set by our staff before distribution.

Violations of any of our safety rules or any other actions deemed unsafe by our staff will result in:

1. A Warning 2. Elimination from the current or next game. 3. Setting out for an additional game. 4. Removal from the field or entire park for the rest of the day without refund.

If you should encounter any kind of problem while you are at Shoot House LLC Paintball Park please bring it to the attention of your referee and/or the Park Manager.

Please help keep our paintball park one of the safest in the country!
